

Name _____

date _____

In the Science Fun Exhibit at the Shelley Museum, the Bailey School Kids had great fun with bubbles. Pick one of the bubbles below to have your own fun writing a short story at the bottom of the page. You can use the back if you need more room. Try to make your main character silly like Eddie.

Write about a plant that grows so big that it takes

Tell about a school in 2100.

Write about a kid moving to

Write about a kid who is lost in London, England.

You suddenly get super-powers. What do you do?
