Mystery Adventurers Party

DATE: _____

TIME: _____

PLACE: _____

There are some pretty weird grown-ups living in Bailey City and the kids who go to school there suspect the grown-ups are more than just strange. Melody, Howie, Eddie and Liza are sure that their teacher Mrs. Jeepers is a vampire, their Basketball Coach is a leprechaun and their music instructor can teach a skeleton to play the tuba — and they can prove it!

The *Adventures of the Bailey School Kids* is a national best-selling series written by Debbie Dadey and Marcia Thornton Jones. The authors, both elementary educators, first got the idea for a monster-filled third grade when they let their imaginations run wild with the idea of taming unruly students by sprouting horns and growing fangs. Together they collaborate, via modem, fax machines and telephone calls to create the adventures in their increasingly popular series.

Fans of these delightful mysteries can join their friends at a Mystery Adventurers Party filled with fun jokes, costumes and the ultimate Mystery Adventurers Game where guests can join the adventure and test their wits to solve a Bailey School mystery.

Guests are invited to join the fun and dress as their favorite monster — the best costume wins a prize!
