

Name _____

Read **Robots Don't Catch Chicken Pox** by Debbie Dadey and Marcia Thornton Jones. Did you know that Debbie's daughter came up with the chicken pox idea?

Design A Robot

Robots are used to do many things. They help
**build cars, perform dangerous tasks, and even
teach children about safety. In the future, robots
may perform many more tasks. Draw your own**

robot. What can your robot do?

My robot can _____
