

In Werewolves Don't Go To Summer Camp, the Bailey School Kids gang have some great adventures at summer camp. Here is a letter that was found, but some of the words are missing. Fill in the blanks with the right kind of word to finish the letter. For even more fun, do this activity with someone else. Person 1 asks for the kind of word ("I need an adjective."). Person 2 says a word, without looking at the whole story. Person 1 writes that word in the story. Keep doing this until it is all done and then read it aloud.
