

# Debbie Dadey's Mermaid Tales

Which Kind of MerPerson are you? If you were a MerPerson, what would you do? Circle your answers.

1. You are exploring a sea cave when an enormous octopus grabs you. Do you:
  - a. Scream and faint.
  - b. Do a backwards flip and escape.
  - c. Try to remember how to speak in octopus to ask them to let you go.
  - d. Kick the octopus right between the eyes.
  - e. Use an ancient Oriental trick to make the octopus dizzy so you can get away.
2. Humans are deep-sea diving near Trident City. Do you:
  - a. Hide in your shell.
  - b. Hide behind a statue to get a good look at them.
  - c. Do whatever you had planned and ignore them.
  - d. Sneak up behind them and dump seaweed on their heads.
  - e. Practice your human words just in case you need them.
3. You swim around a big rock and come face to face with a huge spider crab. Do you:
  - a. Shriek and swim away.
  - b. Flip sideways to avoid it.
  - c. Duck under one of its big legs before it can grab you.
  - d. Yell, "You can't catch me" and give it a karate chop.
  - e. Talk to it and try to make friends.
4. You accidentally get trapped inside a large oyster shell. Do you:
  - a. Panic, after first looking for pearls
  - b. Yell for your best friend to find you.
  - c. Try prying it open with your hands.
  - d. Whack it with your tail until it opens.
  - e. Use your mind to talk it into opening.

If you had:

4 or more a's -----You are a perfect Pearl mermaid

4 or more b's-----You and Echo are a great match

4 or more c's-----You are a Shelly MerGirl

4 or more d's-----Rocky would be your best bud

4 or more e's-----You are like Kikki through and through
